PROGRAMME

	WEDNESDAY 18 AUGUST	
0815	<u>Registration and Coffee</u>	
	<u>DAMAGE CONTROL SURGERY</u>	
0900	What is the stress response to trauma?	TO White
0915	The multiply injured patient. Who should be nailed	M Vrahas
0935	When do I use external fixation?	C Krettek
0955	External fixation. Is there an infection risk?	P Giannoudis
1010	Bilateral femoral fractures? Ex fix or nail?	AC Gray
1025	Discussion	
1045	Coffee	
1100	Timing of pelvic fracture fixation	P Giannoudis
1115	Damage control techniques in the military	J Clasper
1135	Discussion	
	<u>DISTAL TIBIA FRACTURES</u>	
1145	Extra-articular fracture. Nail or plate	K Egol
1205	The modern role of external fixation?	M Vrahas
1220	Intra-articular fractures. Modern plating techniques	C Krettek
1240	Discussion	
1300	Lunch	
	<u>ANKLE FRACTURES</u>	
1400	The isolated lateral malleolar fracture. Surgery, cast or brace?	K Egol
1415	Fibular nailing. When should it be used?	TO White

1430	How should we treat syndesmosis injuries?	S Rammelt
1445	Ankle fractures in the elderly. Management and Outcomes	K Egol
1505	Discussion	
1520	Tea	
	<u>TALUS</u>	
1540	Talar neck and body fractures	RM Atkins
1600	Extra-articular fractures	CM Court-Brown
1615	Reconstruction of the talus	S Rammelt
1635	Discussion	
1645	BREAKOUT SESSIONS	
1	Periprosthetic fractures: lower limb	R Burnett M Moran
2	Compartment syndrome: epidemiology, diagnosis treatment and outcome	MM McQueen M Vrahas
3	Paediatric Fractures: Current trends and child abuse	M Ramachandran JYQ Mok
4	Hands-on Demonstration: Fibular nailing	Acumed

	THURSDAY 19 AUGUST	
	<u>CALCANEAL FRACTURES</u>	
0900	Who needs surgery?	RM Atkins
0915	Does calcaneal surgery need to be delayed?	CM Court-Brown
0925	Intra-articular calcaneal fractures. My operative technique	RM Atkins
0940	What is the role of percutaneous fixation?	S Rammelt
0955	Does calcaneo-cuboid joint involvement matter?	AC Gray
1005	When should I do a primary subtalar arthrodesis?	C Krettek
1020	Combined talar and calcaneal fractures	T Schildhauer
1035	Discussion	
1050	COFFEE	
	<u>MIDFOOT FRACTURE DISLOCATIONS</u>	
1110	Injuries to Chopart's joint	S Rammelt
1125	Midfoot fractures: treatment and outcomes	T Schildhauer
1140	Lisfranc injuries	S Rammelt
1155	Discussion	
1205	Breakout sessions	
5	Knee injuries: soft tissue and fractures	M Blyth P Walmsley
6	Clavicle and scapular fractures	K Egol T Schildhauer
7	Hands-on demonstration: Solutions to carpal and metacarpal fractures	Acumed

8	Hands-on demonstration: Management of complex elbow fractures	Acumed
1300	Lunch	
	OPEN FRACTURES	
1400	The Gustillo classification	TO White
1410	The Ganga classification	S Rajasekaran
1430	How should open tibial fractures be treated in 2010	P Giannoudis
1445	When should open wounds be closed primarily	S Rajasekaran
1500	Open fractures in wartime. Treatment and outcome	J Clasper
1520	Discussion	
1600	ROBERTA VANDERPOOL LECTURE	Professor C Krettek, Hannover

	FRIDAY 20 AUGUST	
	<u>DISTAL RADIAL FRACTURES</u>	
0900	Who needs operative treatment?	MM McQueen
0915	When do I use a locked plate?	D Ruch
0935	External fixation. Which type and which fracture?	MM McQueen
0955	Intercarpal ligament injuries in distal radial fractures	T Lindau
1010	DRUJ pathology in distal radial fractures	T Lindau
1040	Coffee	
1100	Does BMD correlate with fracture severity?	R Clayton
1110	The role of arthroscopy in distal radial fractures	T Lindau
1125	Complications. How do I treat residual wrist stiffness?	D Ruch
1135	Tendon rupture after locked volar plating	DJ Brown
1145	Discussion	
1200	Breakout sessions	
9	Proximal femoral fractures	JF Keating L Biant
10	Orthobiologics	P Giannoudis AD Patel
11	Hands-on demonstration: Complete clavicle fracture solutions	Acumed
12	Hands-on demonstration: Distal radius fracture. A volar and dorsal approach	Acumed
1300	Lunch	
	<u>CARPAL FRACTURES</u>	
1400	How common are they and who gets them?	CM Court-Brown

1410	Scaphoid fractures: Cast or ORIF	MM McQueen
1425	Screw fixation. How I do it.	D Ruch
1445	Scaphoid non-union. Assessment and Management	T Lindau
1505	The role of arthroscopy in scaphoid non-union	D Ruch
1520	Is scaphoid malunion always symptomatic	D Forward
1535	Fractures of the hamate	DJ Brown
1550	Discussion	
1600	End of Symposium
